Proudly in partnership with  
Tamara's Professional Body Sugaring

Hello, I am so pleased you are considering taking my sugaring certification class! This is an amazing form of hair removal with so many benefits for you and your clients. This sheet has all the information and instructions you need to learn about, register, order your kit, complete online theory and be prepared for your class should you choose to join me! Please read this document in its entirety. If you have any other questions or concerns please call, text or e-mail me. All my information is above and below!

**Who:** Students studying to be or licensed Estheticians and Cosmetologists. If you are not in the state of Ohio, it is your responsibility to know if your state allows you to perform sugaring hair removal under your scope of practice.

**Where:** My spa studio at 415 Front Street, Berea, OH 44017

**When:** Class dates are posted on my website [www.estkayla.com](http://www.estkayla.com) under the "PROFESSIONALS" tab and sub tab "CLASS CALENDAR".

**How many students:** I offer one day classes for up to 2 students and their models. This allows for more one on one attention to each student.

**How long:** Class length can vary whether it is one or two students, the amount of hair your model has and how quickly you pick up the technique. Most classes are 10 am to 4 pm with a lunch break.

**How does the class work:** The class is \$450 for the day, and you will need to purchase a kit in addition to that cost (below). You are required to find and bring your own female model for the class, who needs to be available about 30 minutes after we start the class, and for the full day. She will need to have 10-14 days of hair growth on her legs, bikini/brazilian, underarms and face. The more hair your model has, the more you will learn.

## Step #1: Class Date Registration

The first step is to inform me you are coming to the class, and pay your \$100 non-refundable deposit. Your spot is NOT held in the class until you pay the deposit.

## Step #2: Online Registration

Once you have informed me, you can register online at [www.tamaraprofessionalbodysugaring.com](http://www.tamaraprofessionalbodysugaring.com) and on a desktop at the top right there is a “registration” button. Enter all of your info and under the class info include my name, the class date and shipping address as my business address, NOT your address! (415 Front Street Berea, OH 44017) You can change this for the future, but your kit needs to be shipped to me for your class. After submitting you will receive an e-mail confirming your account from Stephanie King our head of education. She lives in the UK, so this could take a day or two.

## Step #3: Ordering Your Kit

Once you have registered and received your e-mail from Stephanie, you can order your kit. You have two kit options which can be seen under the “class kits & startup” tab on Tamara’s website. You have the choice between the small \$98 kit which is great for practicing at home a little bit, or the large kit for \$275 which has everything you would need to start sugaring with clients in a professional space. Everything in the kits is listed on the website. You must order your kit no less than TWO WEEKS before your class to guarantee delivery. If you do not, you will have to reschedule your class date. You are required to purchase a kit to take the class. No exceptions. All products that are used for the class are provided.

## Step #4: Online Theory

From your e-mail from Stephanie you will find the login information for your online theory. You must complete your online theory BEFORE your class day. If you have any questions from the online theory, please write them down and ask during the class

## Step #5: Your Model

For the class, you will need a female model willing to have their whole body sugared. The model needs to be available 30 minutes after the class starts, and for the full class time. Please make her aware that if there is a second student that she will be undressed in front of the other student and her model.

## Step #6: Remaining Class Cost

After you have paid your deposit you will need to pay the remaining \$350 for the class directly to me. You will pay this at the start of your class and can pay by cash, check or card. Payments can be made to "Skin Care by Kayla Marie".

## Step #7: Day Of Class

Please arrive promptly and ready to learn. An apron is recommended to protect your clothing. Shorter sleeved clothing is recommended, and something that you will be comfortable in. You can bring your own lunch, or go out to lunch during our break. Please keep water or whatever you will need during the class with you.

Thank you for reading this informational sheet, and considering my certification class! please let me know if you have any additional questions.

## Step #8: After Your Class

After your class you will need to spend a lot of time practicing on yourself and models before you will feel ready to add sugaring to your service menu, but it's so worth the practice! Advanced classes are also available after you complete this foundational course.
